Foreclosure Sales Online Bidder Training Classes

The Alachua County Clerk of Court is proud to offer *RealForeclose™*, a web-based service that moves the sale of Alachua County foreclosed property out of the courthouse and onto the Internet.

This service will “go-live” at www.alachua.realforeclose.com on **August 17, 2015** with the first on-line auction to take place on September 1, 2015, see Eighth Circuit Administrative Order 3.07. This will allow time for users to become familiar with the on-line auction process, register, place deposits and research properties.

To introduce this exciting new service to the community, the Clerk, in cooperation with RealAuction.com, will be offering training classes for interested parties.

Each 90 minute class, taught by the RealAuction.com team, introduces the concept of online foreclosure sales, and reviews the use of the software.

Live training classes for bidders will be held at the **Alachua County Courthouse Center, 201 E University Ave, Gainesville Florida, 1st Floor Conference Room**, on the dates and times listed below:
